

Web site resources for Michigan and the United States Secondhand Smoke & Smoke-Free Environments

www.no-smoke.org - Americans for Nonsmokers' Rights. Website is dedicated to "clearing the air", and has a wealth of information on how to educate the public, and winning strategies for getting a smoke-free regulation passed. Also see www.no-smoke.org/SHSBibliography.pdf for an assembled bibliography (47pp.) of scientific studies regarding secondhand smoke, including key findings that might be helpful to share with policymakers

<http://www.tcsq.org/sfelp/home.htm> - The Center for Social Gerontology. Click on Smoke-Free Environments Law Project to find recent ETS (environmental tobacco smoke) news, information on health effects of secondhand smoke, the law and ETS, model regulation language, and links to other helpful resources.

[www.cdc.gov/tobacco/ETS Toolkit](http://www.cdc.gov/tobacco/ETS_Toolkit) - This online toolkit can augment some of the information in the Michigan Smoke-Free Regulation Toolkit. In other instances (for example, for a model smoke-free county regulation) please use the Michigan-specific information.

www.cdc.gov/tobacco - The National Centers for Disease Control and Chronic Disease Prevention is a repository of research and facts about secondhand smoke and other tobacco-related issues.

www.ama-assn.org - SmokeLess States

www.tobaccofreemichigan.org - Michigan's statewide advocacy coalition website.

www.alam.org - Fighting for clean air, both indoors and outside, is one of the ALA's major advocacy priorities. Website has fact sheets on secondhand smoke and information on tobacco control advocacy, cessation, kids and tobacco, etc.

www.tobaccofreekids.org - The Campaign for Tobacco-Free Kids website has wide array of easy-to-access information and facts about tobacco use and smoking in Michigan. Not specifically focused on smoke-free issues.

www.tobacco.org - The "Encyclopedia Britannica" of tobacco control, this web site covers tobacco-related topics from A – Z, including secondhand smoke.

www.thecommunityguide.org - The Guide to Community Preventive Services. This website explains the work and results of the task force to analyze and evaluate various evidenced-based interventions in clean air program initiatives.

www.repace.com - Repace Associates, Inc. (James Repace)

www.ansrmn.org - Association for Nonsmokers – Minnesota

www.epa.gov/iaq/ets - Environmental Protection Agency

www.pacificnet.net/~safe - Smokefree Air For Everyone - network of individuals injured or disabled by secondhand smoke

www.smokefreeworld.com - Smoke Free World. Links and listings for smoke-free restaurants around the world.

<http://academic.udayton.edu/health/01status/smoking/smoking.htm> - Smoking and minorities.
